Safeguarding Children, Young People and Vulnerable Adults

The Grimsby Institute Group welcomes all applications and considers them on their individual merits. However, you are required to tell us about any convictions which are not spent under the Rehabilitation of Offenders Act (1974). For some careers you will need to declare all criminal convictions including those that are spent. Doing this will not necessarily stop you being offered a place on a course. Courses where a full disclosure is needed include those that could lead to a career in teaching or involve working with children or vulnerable adults, healthcare, the law/legal environment, accounting and finance, veterinary practices, RSPCA, taxi drivers, uniformed services and security. If you are unsure about what to declare then please seek advice from our Safeguarding team 01472 311222 Ext 474/638 (you do not need to give your name) or ask a careers advisor at the National Careers Service at <https://nationalcareersservice.direct.gov.uk/aboutus/contact-us>.

For further information on what spent or unspent please see the link below.
<https://www.nacro.org.uk>

Please tick if you are applying for a course that will require you to disclose any criminal convictions or outstanding investigations that could lead to a criminal conviction.

Please tick if you have any unspent convictions, have pending prosecutions or current court proceedings.

Please note: you do not need to tick the yes box if your criminal conviction is spent as defined by the Rehabilitation of offenders Act 1974.

If you have ticked the boxes for both of the above questions, you will need to make a full disclosure. Please attach the information in a separate envelope with your application form.

If you have attached an envelope with disclosures it will be given to the Group Safeguarding Co-ordinator who will make contact and may ask you to come in for an interview to discuss. Please note that failing to complete this section or providing misleading or false information may lead to your application/enrolment being withdrawn. Ticking 'Yes' to any of the questions above will result in a follow up meeting in order to obtain further details. This is personal, sensitive information and we require your consent before we can process your form.
