

## **BURSARY FUND APPLICATION FORM 2022-2023**

Financial support through various bursary funds can offer financial support to learners who are in full or part-time further education and are encountering financial barriers to learning. The bursaries are funded by the Education and Skills Funding Agency and through The TEC Partnership funds.

Funding is limited and will be allocated on a first come first served basis.

A number of courses are not eligible for additional financial help through the Bursary Fund. This includes “full cost” courses, apprenticeships and higher education courses. Please check with Learner Services if you are unsure about your course or need advice about alternative funding.

If you are applying for childcare funding, you should return this form to Learner Services and the additional childcare bursary form, with the relevant evidence required and signed by yourself and the childcare provider. Childcare applications will be considered equally, subject to funding availability. Applications will be allocated funding on a first-come first-served basis once all other applications have been assessed and only if funds remain. All Childcare applications are prioritised in accordance with TEC Partnership policy.

In the event of a quarantine or lockdown we reserve the right to adjust the bursary to reflect the situation within funding limitations.

**Funding is not guaranteed.**

Make sure that you answer **all of the questions relevant to you** and **sign the declaration on section 8 of the application form**. If your form is incomplete, it will be returned to you. If you need help in completing this form, or require the form in an alternative format, please contact Learner Services at your campus.

**Please enclose evidence as required. Failure to provide this will delay your application.**

### **Responsibility for payments**

Payments made are the responsibility of the learner. Payments in any form will not normally be replaced if lost, stolen, forgotten, destroyed or misused.

### **Responsibility relating to benefits**

It is the responsibility of the learner to inform the Department of Work and Pensions about any Discretionary Learner Support payments they are awarded. Discretionary Learner Support may affect eligibility to some benefits.

### **If you withdraw from your course**

If you withdraw from your course you will not receive further financial assistance. You will have to pay any outstanding fees and may also have to repay any financial assistance you have been awarded.

### **If you are not happy with our decision or your award is stopped or withdrawn**

If you believe your application has not been assessed correctly, you do not receive an award, you are not happy with the level of support allocated or your bursary was stopped or withdrawn for reason other than poor attendance then you have the right to appeal.
